# Daily Update

## New Plans On File 1/30/2012

Bid Date	Time	Location	Plan Name / Scope of Work	Prebid Information	Engineers Estimate	Plan #
1/31/2012	2:00 PM	Redding	<b>Grant Elementary School Modernization &amp; Relocatables (No GC Openings)</b> Includes demolition, earthwork, site utilities, concrete, asphalt paving, chain link fences / gates, rough / finish carpentry, metal stud framing, sheetrock, casework, insulation, metal roofing, lath / plaster, sheet metal flashing / trim, joint sealants, doors, frames, hardware, glass, glazing, ceramic tile, acoustic ceilings, resilient flooring, paint, signage, toilet compartments / accessories, plumbing, HVAC, electrical and low voltage			Online
2/2/2012	3:00 PM	Fresno	<b>Mckinley Avenue Grind &amp; Overlay From Wishon To Blackstone</b> Project consists of grinding existing asphalt, overlaying with new asphalt, replacing roadway striping, replacing traffic signal detector loops and reconstruction of wheelchair ramps to ADA standard.	1/17 @ 10AM	\$660000	
2/3/2012	10:00 AM	Martinez	<b>Martinez Restaurant</b> The building is a two story unreinforced masonry building built in 1926. The building is listed on the California Register of Historical Resources. At approximately one-third of the length of the building there is a brick wall with openings on each floor. From Main Street to the brick wall there is a full basement, and from there to the other end of the building there is only a crawl space of approximately 24" in height. The project goal is to perform necessary earthquake retrofitting, build-out restaurant on the ground floor and reconfigure and refurbish the existing office space on the second floor into office suites and common areas. Due to the limited square footage of the building, the zero lot lines and lack of ADA access to the second floor, a trash room and an ADA compliant conference room are to be fully built-out in the building next door, 610 Court Street. The outdoor seating area shown on the plans will not be constructed at this time. Work for this project will be performed in five phases. Phase 1, 4 & 5 ONLY are out to bid. STILL WORKING ON STRUCTURAL DRAWINGS.  Phase 1: Demolition of portions of the building interior. In general terms, on the ground floor, only the exterior walls and walls around the stairwells will remain; on the second floor, most walls will remain. (All work, except lead paint remediation)  Phase 2 and Phase 3: No bids required.  Phase 4: Build-out the restaurant space (downstairs) and office suites and common areas (upstairs). Cosmetic work to the exterior.  Phase 5: Build-out trash room and ADA conference room in building next door at 610 Court Street.			Online
2/7/2012	2:00 PM	Richmond	<b>Boiler Replacement Project at Nutrition Center - WCCUSD</b> Demolition, removal and disposal of 2 existing high pressure steam boilers and 1 feed water system. Furnishing and installing 2 new 50HP High Pressure Steam Boilers and 1 new Boiler Feed water system. Boiler Start-up services for proper combustion and operation. Provide training service for facility maintenance and operational personnel. Clean-up and disposal of all materials, equipment and construction debris.	1/30 @ 3pm, 750 Bissell Ave., Richmond	\$175000	E265
2/10/2012	3:00 PM	Fremont	<b>Ulta Beauty Store No. 172 Interior Remodel</b> The project consists of tenant improvements of 10,000 sf open store, including demolition, flooring, glass & glazing, wall covering, acoustical ceiling, metal stud framing, fire sprinklers, paint & wall covering, plumbing, HVAC & electrical system.  Please email bid proposals to 480-393-8363
